- Recommendation: I would highly recommend your service in the future

- Customer Name: Sara Kwon & Jeff Sarti

- Moving Date: 10/31/07

- Comments: This was our second time using Flat Rate to move and we plan on using them again. The crew was so courteous and polite. They exercised extreme attention to detail from wrapping up all our furniture, to packing up the miscellaneous items that we forgot to pack, to labeling everything for inventory that needed to go to storage. We were left with complete trust that once we find our house in San Francisco, our belongings will be taken from storage and brought up North in the same condition that it was taken. Thanks so much for making what could be a stressful situation such an easy process!
